RE: Marilyn Monroe, Dec'd.

Dear Mr. Frosch:

The decedent's 1961 New York State income tax resident return has been received.

As the only other return on file is a 1957 nonresident return, will you please furnish the following information in order that a correct audit for all years may be made:

1. Is the estate a resident estate?
2. Were New York State income tax returns filed for 1959 and 1960?
3. If yes to No. 2 question please indicate type of form (resident or nonresident) and name and address as appearing on each return.
4. When did the decedent become a resident of New York State.

When replying, please refer to Division 44-F, File 2-8286049.

Very truly yours,

Jacob Bodian
